

# Gerald J. Bannasch, MD, FACNS

Dr. Bannasch provides both psychiatric and neurologic services to his patients. New clients can make appointments with less than a month's wait time.

He is board certified in adult neurology, general psychiatry, vascular neurology, behavioral neurology, neuropsychiatry, and is a fellow in the American Clinical Neurophysiological Society.

*“My philosophy for treating patients is evaluating for any medical problems which could be causing, or exacerbating, potential psychiatric issues. Time-limited medications may be prescribed along with psychotherapy and life-style changes to empower patients.”*
